Scoring Instructions

- Place an X in the box for any missed question. If the answer is correct leave it blank. 5 points for each correct Question
- To qualify for bonus points, team must have no more misses than people on the team.
- Only add bonus to team score in bonus row. Do not add to individual score. Enter a "5" for a correct answer.
Example: If there are 3 team members, on questions 1 thru 5 there cannot be more than 3 misses.
- If there are fewer than 5 team members calculate the blind score factor as shown above and add to total score.
- Use the tally below to add up the individual score for each round on the round #1 sheet.
- Use the tally to the right to add up the team score for each round on the round #1 sheet.
