MINISTRY TRAINING WORKSHOP

*** MAKING THE STORY MEANINGFUL ***

Adult teachers (and anyone!) will enjoy learning "Tell the Story" method of teaching.
Speaker: Rev. Tom Zile, SDMI (aka Sunday School) SWO District Director

*** THE NEW WORLD OF SENIOR ADULTS: NOTHING'S STEREOTYPICAL HERE! ***

Globally, the 50+ generation's escalating growth has complex issues. But, this affords the church with *exciting opportunities* for ministry! New seniors differ from their predecessors. The church that operates on traditional assumptions about this age group has little chance of reaching them! Learn characteristics of these *new seniors* and some ways that the church can minister *to* and *with* this rapidly growing segment of the population. *Speaker: Marshall Duke, Prime Time Ministries Coordinator, Nazarene Global Ministry Center*

*** THE BEST WAYS TO KEEP KIDS ENGAGED ***

Kids are changing every year—cognitively, spiritually, and physically! How can you keep up with what's effective, what's trendy, and what's most important to these kids. This workshop will clue you in to the latest techniques for grabbing kids' attention, managing classrooms with multiple ages, and making learning memorable. Plus, we'll give you insider secrets to what parents of kids this age need most—and how you can partner effectively with them. *Speaker: Keisha Plaskett, Children's Ministry Director (Beavercreek Nazarene Church)*

*** MENTORING WITH A PURPOSE ***

If you work with or are interested in teens, this workshop is for you!
Speaker: Stewart Oswald, Youth Pastor (W. Carrollton Nazarene Church)

EXTRA SUBJECT! ROUND TABLE DISCUSSION: "Technology As It Relates To Worship" (No need to sign up).
