

## OPERATION CONTACT—VISITATION

Realizing that everyone needs an opportunity to work as a disciple in the kingdom of Jesus Christ, you are offered this challenging program to help you meet your God-given mandate.

If you are already enrolled in this program, you do not need to sign up again unless you want to change the week you have agreed to.

### THE PROGRAM

1. On Sunday, you will be given a card with the name and address of either a prospect, a new contact, absentee or shut-in. You may make a personal visit, telephone call, or write a note.
2. You are expected to make one contact only one week out of the month; however, you may sign up for more than one week if you desire.
3. The contact is to be made during the week at your convenience.
4. The card is to be returned the following Sunday morning with the results of your contact noted on the back side of the card. Please do not keep the card longer than your assigned week. If you lose your card, write a record of your contact on paper and turn it in.
5. If you make a personal contact, you need only make one attempt in person. If no one is home, try to contact that person by phone before Sunday.
6. Every contact should be bathed in prayer. Naturally everyone is nervous when making contacts; however, through the power of the Holy Spirit this fear can be overcome. When you have made the contact, you will have great satisfaction from a job well done.
7. Please keep this upper portion; sign the bottom portion, tear off and turn in to the pastor or drop it in the offering plate today.
